Narborough & Littlethorpe Leisure Gardeners' Association (NLLGA) - Self Management Agreement

The current Self Management Agreement came into force in March 2014 and runs to March 2021, at which time a renewal or extension will be necessary. The Chairman of the NLLGA has approached me advising that in order to apply for Lottery funding for the replacement of their cabin, (planning permission already granted) there needs to be at least 5 years remaining on the SMA which the current agreement does not offer.

To accommodate NLLGA's request, the SMA would need to be extended.

This could be achieved by basing an extension on the current SMA, or if it was felt legal input was necessary, a solicitor could be instructed to produce an extension (approximate cost of £750). The SMA was prepared initially by a solicitor in 2014 to ensure it was fit for purpose and it seems to be working well.
